

425m2 Warehouse With Off-Street Parking & Spray Booth

15 Thorne Street, Wynnum

James Dean Commercial, the marketing agents are pleased to present a turn key mechanical / panel shop opportunity which can be split or customised to suit any user.

This property is located within Wynnum's Light Industrial zone and has 10 + secure off street car spaces in addition to the warehouse space. The property has a modern facade with great signage options along with a refurbished air-conditioned reception area. The property has a fully function dual spray booth set up, multiple side roller doors and its own onsite toilets.

This property has loads of natural light and bay breezes every afternoon. This property ticks a lot of boxes so don't delay call the JDC team today!
