 99

This is a great opportunity to secure fully refurbished tenancies within the mall. Suitable for a variety of different uses which could include Retail, Medical, Food & Beverage, Government Services, Office Space or Health & Fitness.

Wynnum overall is experiencing massive growth with over 100 new residential unit dwellings being constructed in high rise format throughout Wynnum CBD and over 700 residential lots being developed nearby. Not to mention Wynnum is underpinned by the Port Of Brisbane, The Australian Tradecoast (which is the best industrial property market in the country right now according to AFR). Brisbane Airport which has just had a \$135m upgrade and Brisbane roads / infrastructure projects are at an all time high.
