

Contemporary Living - Mirvac Quality

5 Goulburn Street, Wakerley

Mirvac's 1209 series home set on a 633sqm block has proven to be a favourite with buyers as it offers a contemporary design with flexible living options for the family looking for space and separation.

Features include multiple open and spacious living zones with 9 foot ceilings, ducted air and lots of full height windows & sliding glass doors. Divided into two wings - one containing three bedrooms & a rumpus room and the second, with kitchen, casual living and master suite. The galley style kitchen has stone tops & lots of storage & the master suite to the rear of the home is ensuited with good separation. Outdoor entertaining flows from both wings to large timber decking surrounding a sparkling in-ground swimming pool. There is a double lock-up garage with internal access and shade sail over the driveway for additional covered parking.

The home is currently rented 'fully furnished' on a short term lease and the furniture is also for sale by negotiation.
